

With the  
American Junior Simmental Association,

one Simmental heifer  
could become more  
than a purple ribbon . . .

Don't miss these fun and  
educational events in 2011.

SUMMER  
2011

**Western Regional Classic**

Tremonton, Utah, June 15-18

**Eastern Regional Classic**

Morehead, Kentucky, June 15-18

**North Central Regional Classic**

Wausau, Wisconsin, June 20-23

**National Classic XXXI**

Sedalia, Missouri, July 3-8

**Friendship.** Every year juniors from around the nation convene at our regional and national classics. By interacting with kids from other parts of the country you can get a new and unique perspective on life and the beef cattle industry.

**Leadership.** Gain the knowledge and first hand experience needed for any future leadership roles. You can get involved with in your state, or at the national level, be becoming an AJSA Trustee.

**Scholarship.** Over \$20,000 dollars in scholarship are awarded each year to junior membership who strive to gain higher education.

To learn more about everything AJSA has to offer our Simmental youth visit [www.juniorsimmental.org](http://www.juniorsimmental.org) or contact **Lacey Robinson** at [lrobinson@simmgene.com](mailto:lrobinson@simmgene.com).
